All –

Please see attached message from Jason Riederer, Legislative Director for Congressman Mark Amodei who would like to set up a call between now and mid-January to get an update on EPA's efforts in Yerington on the Anaconda site. Please note that I am out of the office on annual leave until next Tuesday, December 29<sup>th</sup> and can reach out to him then to set up a call. If others feel a call needs to happen before I reach out to Jason next week, please work with my manager, Bill Keener, and/or Margot Perez-Sullivan to set up a call and please copy me on any efforts to set up a call or outreach to Jason. Thanks.

Hi Brent,

Thanks again for holding the conference call yesterday on Eureka. Very informative and I appreciate the update. I was hoping I could also schedule an update with you sometime between now and mid-January to receive an update on the EPA's efforts in Yerington with the Anaconda mine. I know it's a priority for the Governor's office, the community, and other business interests there so we just wanted to learn more about how that effort is progressing.

Thank you again and happy holidays,

Jason
